Office / SAC

This unit includes an integrated office area, ideally suited for use as a site access control area.

Canteen

Rounded tables with bench seating and dedicated under-seat storage, wall storage compartments, 2 kW floor-mounted heater, catering-grade stainless steel worktops, microwave, forearm sink with hot-wash, towel and soap dispensers, and a window with security shutter.

Toilet

High-specification full-flush toilet with forearm sink and hot-wash, high-security skylight, and PIR LED light.

Generator / Drying Room

HVO/diesel generator with 2000-hour service intervals, tubular heater, and coat hooks.

Services

Cleaning and emptying service also available.
