Overview

The 12 ft Towable Site Storage Container provides a secure, anti-vandal solution for on-site tool and equipment storage. Designed for easy towing and rapid deployment, it helps businesses meet safety demands and reduce travel time between depots.

Key Features

- Reinforced phenolic flooring, suitable for small machinery and equipment
- Two compartment doors for flexible loading/unloading
- Hydraulically lowered (manual) axles for quick setup
- Integrated swivel jockey wheel within locking towing cover hood
- Heavy duty, removable aluminium ramps included
- Ply-lined for added protection
- Integrated strapping points for securing equipment

Benefits of Hire

- Save time: Keeps tools on-site, reducing the need for repeated depot trips
- Save money: Reduces van mileage and protects valuable equipment from theft/damage
- Health & Safety Compliance: Offers secure storage for items restricted in work vans, ensuring legal compliance
